

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

What Sinclair is trying to air is NOT "News" by any stretch of the most vivid imagination, it is all blatant Lies.

I feel it should be against the law or at least against FCC rules of some sort to knowingly air slanderous Lies against a presidential candidate.

This is an absolute outrage, it is disgusting that the FCC would allow such trash to air.
